TAXES.

HAVING gone round six weeks on my circuit, assessing and taking Tax returns and collecting some taxes, and finding a great number of tax-payers who failed to meet me at my appointments, I take this method to inform them of my appointments at SPARTANBURG COURT HOUSE,

WHICH WILL BE Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, the 25th, 26th, 27th, 28th, 29th and 30th DAYS OF JUNE.

ALSO, SALEDAT IN

JUNE and JULY

at which time the books must be closed. All persons who have failed to make their returns and pay their TAXES, will be double taxed, and EXECUTIONS issued against them.

All those who have made their returns, and fail to pay their Taxes by that time, will have SINGLE TAX EXECUTIONS issued against them.

If there should be any who believe that they cannot pay their Taxes, I think they would do well for themselves to make their RETURNS, and have a SINGLE TAX EXECUTION issued against them, rather than a double tax Execution.

I do hereby earnestly request the Tax payers, generally, and more especially those who have either white men or freedmen in their employment, who are only liable to a POLE TAX, DOG TAX, or both, to send me up their names, and the number of their dogs, so that I can enter their names, and take an account of them. I is due to all, both white men and freed men, that all should pay their Taxes, and all be on an equal footing—not for some to pay and others escape. This is all the chance that I have to ascertain their names, as they have never been on my Tax Book, which makes it impossible for me to know the names from my old books.

Taxes to be paid in gold or silver coin, United States legal tender notes, the new South Carolina issue, Juror Tickets, &c.

The articles taxed are fully set out in my former advertisement.

R. C. POOLE, Assessor and Collector.

A CARD FROM THE AUTHOR.

CAUTION.—Agents and the public are warned against an attempt of C. B. RICHARDSON, Publisher, to thrust upon the public certain annals of the war, gathered from the four corners of the newspapers and arranged by me as pioneers of an original and elaborate work.

He boldly appropriates to these stale productions, the title of "Standard Southern History," which he says completes the author's history of "The Lost Cause." Such an outrage upon the fruits of my labors and the confidence of the public, I leave to the judgment and resentment of the reading public.

EDWARD A. POLLARD. The Publishers take pleasure in saying that "The Lost Cause," by E. A. Pollard, is the Standard and Official Southern History published. E. B. TREAT & CO., Publishers, May 24—18—4t New York.
